

Dental Mentors UK

Are you a dentist or a DCP with the skills to support and mentor other dental professionals?

Would you like to have the opportunity to hone your skills, learn new skills and ensure you keep updated?

Would you like to join a community of like-minded individuals, receive professional joint supervision and the opportunity to share experiences and expertise with peers in a confidential arena?

Join Dental Mentors UK?

Dental Mentors UK provides a community for dental professionals from all registrant categories who support fellow dental professionals in the UK and maintains an online directory for dental team members looking to find their perfect Mentor or Development Adviser.

DMUK members

There are two categories of DMUK member

- Dental mentors for general mentoring and support
- Development Advisers for registrants in difficulty needing additional support

You can join DMUK as a Mentor or a Development Adviser, or both depending on what you have to offer. DMUK members pay an annual membership fee to become part of a supported community of Mentors and Development Advisers. Their profiles can be found in the directories on the DMUK website.

Benefits:

- Free CPD tutor led webinars
