

# Dental Mentors UK

## Are you a dentist or a DCP with the skills to mentor other dental professionals?

Would you like to have the opportunity to hone your skills, learn new skills and ensure you keep updated?

Would you like to join like-minded individuals, receive professional joint supervision and the opportunity to share experiences with peers in a confidential arena?

### Join Dental Mentors UK?

We will support you to maintain your mentoring skills, acquire new skills, and gain the Continuing Professional Development (CPD) you need to be a mentor. We will provide regular confidential supervision. As a mentor you will pay an annual membership fee to join. You will have your own dedicated profile page, with your photo, bio and contact details. Dental Mentors UK will support you to be the best mentor you can be.

### We aim to be the preferred:

- Site for supporting dental professionals in providing mentoring good practice.
- Mechanism for mentors who wish to maintain their skills and learn new mentoring methods and techniques.
- Site to facilitate good quality mentoring in the dental profession

### Benefits:

- Free CPD teleclasses
- Inclusion in the directory of mentors
- Free regular mentoring supervision
- Free factsheets, mentoring tools and useful documentation
- Reduced rates for mentor training (Level 7) Post graduate Certificate or Post graduate Award

Open to all dental registrants with experience of mentoring

### How do I qualify to apply?:

Proven experience and skills in mentoring  
Or possession of a mentoring qualification

### Membership:

£99 per year
