

Dental Mentors UK

Are you a dentist or a DCP with the skills to mentor other dental professionals?

Would you like to have the opportunity to help more people to develop?

Would you like to join like-minded individuals, receive professional joint supervision and the opportunity to share experiences with peers in a confidential arena?

Join Dental Mentors UK?

We will maintain a directory of dental professionals who are mentors. As a mentor you will pay an annual membership fee to join. You will have your own dedicated profile page, with your photo, bio and contact details. Dental Mentors UK will market you to those seeking a mentor, (organisations and individuals).

We aim to:

- Be the preferred site for dental professionals (and organisations) who wish to find a mentor
- Be the preferred mechanism for mentors who wish to advertise their services.
- Facilitate good quality mentoring in the dental profession

Benefits:

- Inclusion in the directory of mentors
- Open to all dental registrants with experience of mentoring
- DM UK will market the directory to organisations and individuals who need mentors
- Regular mentoring supervision
- Reduced rates for mentor training (Level 7) and CPD
- Access to members only page of factsheets, mentoring tools and useful documentation

How do I qualify to apply?:

Proven experience and skills in mentoring
Or possession of a mentoring qualification

Membership:

£250 per year
