Other Qualifications

At 16: Qualified Horse Riding Instructor, BHSAI. I was one of the youngest to qualify in the country. Obtained: BHS Stage 1, Sept 1987, BHS Stage 11, 1988, BHS Stage 111, 1988, Preliminary Teaching Exam, Sept 1988.

I was an active member of the University Riding Club. I acted as Chairman, treasurer and Secretary over the years. I was a member of the Riding Club Team, we had many successes - including representing the University abroad in Switzerland, France, Ireland and Egypt. I was presented with University Half Royal Blues.

- PADI Advanced Diver July 2003
- BSAC Dive Leader July 2005
- Assistant Dive Instructor BSAC Nov 2004

- Set up North Wales Sport Endurance

Dental Employment

- VT in Dental World, Rock Ferry. (1996-7 Martin Woodhead VT trainer)
- Sutton Dental Practice 1997 -2001
- Raby Road Dental Practice 2001 – 2013
- 2013 Partner Glenside Dental Practice
- FD Trainer commencing Aug 2006 – present
- ES Appraiser
- Mentor for HENW

My research has been published in Primary Dental Care and British Dental Journal BDJ.

I regularly lecture for FD study days. I have also provided Newsletters for my peers giving Implant advice.

I regularly attend Post Graduate courses and have participated in Peer Review and audit projects.

My role as Mentor for Dentists in Difficulty has been interesting and challenging. I aim to further my ability in this area.

Other Dentally Related Interests:

In April 2005 I travelled to Romania for my honeymoon (and with my husband as dental nurse) to do 9 days of Charity dentistry. It was a wonderful experience, with lots of hard work and something we will never forget.

Other Non-Dental Interests

I compete regularly in horse-riding. I was a member of the TREC GB World Championship Team 2003 & 2004. I finished 13th in the World in Belgium in 2003, and was part of the team which finished 6th in Germany 2004. I feel this is a real achievement because I only started that sport in 2002.

For 4 years I was the Chair for the newly formed North Wales Group of Sport Endurance and was part of the Central Committee. This is now a director role only. I have organized competitions and social events and have done significant amount of fund raising for charity.

I have more recently learned how to Race Ride – and have competed successfully in several charity horse-races at both Newmarket and Southwell. I now own 2 ex-racehorses who I compete regularly in many equine disciplines.

My husband and I own a small-holding in North Wales. It is our life outside work – we have horses, sheep and cats, along with 14 acres and an unending supply of tasks – its fantastic!

To summarise: I love a challenge and am willing to learn new things, working hard and achieving new goals are what motivate me most.
